

**School Nonfiction Collection Development Grants Awarded
January 2014**

School Nonfiction Collection Development grants provide funds to eligible public school libraries to purchase collection development materials in support of Common Core and Science, Technology, Engineering and Math (STEM) learning programs

This grant opportunity was available on an invitation-only basis to public school districts that met the following criteria:

1. The school district must be fully or provisionally accredited by the Missouri State Board of Education
2. Elementary and secondary school libraries that receive funds through this grant must provide an accessible, centrally-housed, and organized collection of resources.
3. The school district must have a line item in the district's budget for library materials.
4. The school library must be staffed by a person who either is, or is supervised by, a certified school librarian or school library media specialist.
5. The free and reduced lunch percentage for the school building is equal to or greater than 87.7%.
